Reserve High School

Reserve, New Mexico

We Like it Here . . .

Dedication

Patricia Guerra, age 13, departed from her beloved family and friends on August 27, 1965. Her tragic death was a shock to everyone.

Her spirit was one of loyalty and devotion to her family and friends. Her self-giving love will be remembered and treasured by everyone who knew her.

We, the Yearbook Staff, do with deep love and remembrance dedicate this 1965 - 66 MOUNTAINEER to Miss Patricia Guerra.

The Yearbook Staff

ADMINISTRATION

Sup't. of Schools

To the students and faculty of the Independent School District No. 1, I wish to give my sincere thanks for your wonderful cooperation in making this a successful year. To the Board of Education for their time and efforts, my undying gratitude. My sincere appreciation to the parents for helping the administration and faculty in making our student body what it is today.

With cooperation of all these bodies of people, we can gain much higher goals and will not have to look back and be sorry we did not do better.

These words are fitting and should be remembered by all. The last verse of "The Chambered Nautilus," by Oliver Wendell Holmes.

"Build thee more stately mansions, O' my soul
As the swift seasons roll!
Leave thy low vaulted past!
Let each new temple, nobler than the last,
Shut thee from heaven with a dome more vast,
Till thou at length are free.
Sewing thine outgrown shell of life's unresting sea!"

May God bless you all.

Charles Miller

Principal's Message

As I pause to think of and about Reserve High School, I am filled with a great pride. Pride in the Student Body, Faculty, and all the organizations. I believe this pride is evidenced by the good feelings among all the personnel at Reserve High.

If all the people of Reserve High accept the challenge to continue improving themselves and Reserve High, it will always be a place in which we can all have a great pride.

I am proud to be a part of Reserve High School.
